Special Directions for this Master List

List each ensemble on a separate line. Each line must contain the names of all of the players in the ensemble. The names within each group should be in the same order as they will appear in the recital program, (e.g., for duets, the person playing the *Primo* part will be listed first, a singer's name will precede that of the accompanist, etc.). List competitive groups first, as COMP, then non-competitive, as NON-COMP. The list should be alphabetized by the last name of the person who heads the ensemble.

Example of an alphabetized list:

- Line 1: COMP: Abbott, Jack; Abbott, Ashley
- Line 2: COMP: Howard, Cole; Abbott, Ashley; Howard, Victoria
- Line 3: COMP: Newman, Victor; Jenkins, Diane; Abbott, Jack; Abbott, Ashley
